*September 2024*

Hello Santa Maria A's

The 2024 All Ford Car Show is behind us. I heard it was a great show. A sincere thanks to all of you for your help and support. Thank you for your raffle prize donations too. We invited the car show leads join the September Board Meeting to discuss their observations about the car show day. What went right and what can we change so the next show can be even better than this one. There were many points made, by the leads, that should help make our next show better. Thank you all.

We have a lot going on in October. Join us when you can.

John Humann's Annual Roundup and BBQ is on October 19. Please plan to come and bring your A. This is one more chance to get your Model A out.

We are looking for a few good men and women to join our Board for 2025. You have skills and talents that we need. Your participation will make our club better and stronger. Please volunteer to run for a position on the 2025 Board. **All** positions are open. You can make a difference. Can we count on you? Nominations are open now and at the October General Meeting. The vote will be held at the November General Meeting.

The Dennys and Hansen's were not able to join you at the car show. We drove our two A's to Minnesota, and beyond. This trip is Gary's bucket list trip. We went to Sturgis and Deadwood South Dakota today. Tomorrow, we plan to go to Mount Rushmore and within the next few days we will head for home. It's been a great trip. We have travelled almost 4,000 miles so far. If you enjoy driving, you're A, I encourage you to take the leap and plan a tour of your own. We will see you soon.

Bill Hansen
